

The Star Follows

PRATASTREN
INFOTECH SERVICES

Connecting People...

About us

We introduced Pratastren Infotech services is established 2017 as a channel partner for most of renowned brands in the field of Electronic security & Fire Safety systems to serve PAN India Locations. We are equipped with technical Support team trained with any service of our assured products, our basket containing wide range of CCTV Cameras from all ranges varies in optical as well as thermal based cameras & their accessories.

Our key products line are next generation networking switches & networking solution to critical IT infrastructure, various intelligent automation instruments & Sensor required for Integrated Building Management Systems. Fire Detection & fire alarm detectors like Smoke detectors, Heat detectors, UV/IR flame detector & Fighting equipment's for Industrial & commercial projects.

VISION

Our vision is to build Total Brand Value by innovating to deliver consumer value and customer leadership faster, better and more complete through continuous improvement driven by the integrity, teamwork, and innovation of Excellent people.

MISSION

To lead the Network industry in India with the highest standards, ensure medical equipment and consumer care products meet the needs of the community today, and build capabilities to raise standards to meet the needs of future generations.

VALUES

Ethics, professionalism, integrity, quality of service, innovation and trust are Excellent's core values. These values are implemented in every aspect of the company and combined with our deep understanding of the market.

Our Services

- Networking Solution
- CCTV Camera & VMS
- Electrical Solution & Cables
- UVSS/UVIS
- Access Control Systems
- Field Sensors
- Fire Detection & Alarm
- Cabling

Our Activities

The group is uniquely positioned to serve the growing needs of the Network market. Our core activities are import, distribution, promotion and marketing through integrity and professionalism, while enjoying an esteemed reputation in Network Market.

Professional Reliable & Efficient

We pride ourselves on being one of the most professional and efficient partners in our industry within India, the team is unrivaled regarding experience, background training and efficiency in delivering results.

Our offices in Singapore, allow us to interface with our partners and clients to provide efficient distribution channels and well- established networks with a clear focus on the market, the founders of Excellent have a truly distinctive track record of creating market leaders in network and other sectors.

Our Channel Partners

- **Allied Telesis:** Network Components.
- **Oncam, Samsung WISENET:** Cameras.
- **Radix & Greystone:** BMS Sensors.
- **Milestone:** CCTV VMS (Video Management System) Software.
- **Genetec:** CCTV VMS (Video Management System) Software.
- **Life Safety Power with Enclosures (UL & FM Listed):** Power Supply.
- **Gunnebo:** Boom Barriers, Turnstile, Full Height Turnstile, Wedge Barrier, Bollards, Gates & All types of Fire Extinguishers.
- **Meanwell & Delta:** Smmps, Power supply & Batteries.
- **Teknoware & Innaware:** Signages.

Projects & Client List

Client List

- Argus Electronics Security Systems Pvt. Ltd.
- Sigma-byte Computers Pvt. Ltd.
- A D N Fire Safety Pvt. Ltd.
- Sterling & Wilson Pvt. Ltd.
- Watchdog Security
- Cyberace Infovision Pvt. Ltd.
- Sify Technologies Limited, Mumbai, Hyderabad & Noida
- Netmagic Solutions

Our Strength

We are engaged in design, consultancy, manufacture, supply, installation, testing, ACB, VCB servicing & commissioning of wide range of electrical systems. We have a in house capability for all operations. Manufacturing a wide range of electrical control panels as per the specifications of customers. We have a good presence into all types of Power & Control panels as well as service provider like Servicing & overhauling of LT Switch gears, Retro fittings, AMC & Consultancy for our customer to decide right choice for their growth in their sector.

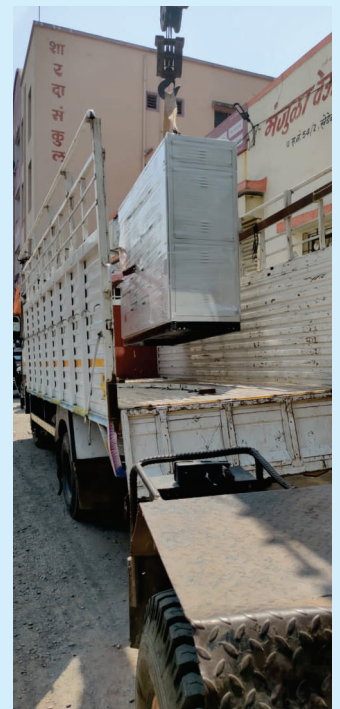

Our real strength is our expertise in system engineering which has come through innovative approach of every single person towards all projects executed by us till date. We have good team of Design & Production & Site engineers for Trunking industrial & commercial projects. Dedicated engineers with Auto cad knowledge who is having field experience & tender documentation preparation, offer finalization, technical detailing based on the input received like basic layouts, location layouts, cable tray routing, and panel positioning fixing on 1:1 ACAD drawing.

List of various Panels we are Manufacturing

- A) Power Control Center (PCC)
- B) Motor Control Center (MCC)
- C) Power & Motor Control Center
- D) Bus duct Up to 6300A
- E) Main Lighting Distribution Board (MLDB)
- F) Relay & Metering Panel
- G) Plc, Vfd Panels & Automation System
- H) Control Desk
- I) Terminal Station & Marshalling Box
- J) Synchronizing Panels
- K) Automatic Power Factor Control Panel
- L) Power distribution board
- M) D.G Set Synchronizing & AMF Panel
- N) Outdoor Feeder Pillars & Control Cabinet
- O) Sandwich type bus duct installation and tap-off box servicing
- P) MCC draw out panel
- Q) HT PANEL UPTO 33KV

General Specifications for Control Panels

1. **Construction:** Fixed / Draw out / Single Front / Double Front
2. **Protection Class:** IP 52 / IP 55 / IP 63
3. **Material of Contraction:** M.S CRCA load bearing member not less than 14 gauge other not less than 16 gauge
4. **Finish:** Powder coating @ 80-100 Micron after 7 tank process
5. **Rated Voltage:** LV panels – 600Vac
6. **Rated Current:** PCC – 6300A, MCC – 2000A
7. **Bus bar Support:** Sheet molding compound, Dough molding compound

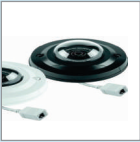

Our Products

ALLIED TELESIS: NETWORK COMPONENTS

For nearly 30 years, Allied Telesis has been delivering reliable, intelligent connectivity for everything from enterprise organizations to complex, critical IT infrastructure projects around the globe.

Allied Telesis is recognized for innovating the way that services and applications are delivered and managed—resulting in increased value and lower operating costs.

ONCAM: CAMERAS

Oncam is an independent, specialised IP video and technology company with a reputation for being one of the most innovative firms in today's market. Oncam's sole focus is on 360-degree smart IP video - working with partners to deliver high-value business solutions for customers that leverage Oncam's

award-winning technology. We have deep industry knowledge combined with specialised expertise in Healthcare, Retail, Transport, Maritime and Ports, Banking, Casinos and Hospitality.

SAMSUNG: CAMERAS

Samsung Techwin introduces WiseNet Lite series, an affordable product line offering simple but essential features ideal to secure small to medium sized applications.

WiseNet Lite series offers a wide range of indoor and outdoor Bullet / Dome / Vandal cameras to cover multiple application needs for retails, banks, residences or offices delivering crisp and clear image qualities.

RADIX ELECTROSYSTEMS PVT LTD. : SENSORS

Established in 1980, Radix is one of India's foremost players in the field of Industrial Process Instrumentation and Automation. Radix is the leading Indian manufacturer of process control instrumentation products like PIDs, Controllers, RH, T & DP Products, FLP products, Transmitters,

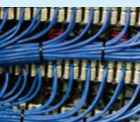

Isolators, Thermocouples, RTDs, Validation ports, Level Products, Control panels, Pressure & temperature Gauges, Door Interlock Systems, Wireless Products etc.. We undertake turnkey Automation Projects for BMS-EMS, Warehouse & HVAC Applications, etc. Radix has Customers of Pharmaceutical, Food, Chemical, Steel, Automotive, Defense Etc.

GENETEC: CCTV VMS (Video Management System) Software

Genetec is one of the security industry's most innovative players.

IFSEC Global presents the essential guide to this pioneer in software for IP video surveillance, access control and other security systems, most notably Security Center, Genetec's unified security platform.

CABLING: In telecommunications, structured cabling is building or campus cabling infrastructure that consists of a number of standardized smaller elements called subsystems.

Brands: ALF Hyper Scale, Polycab, Malex, RR Cables and KEI Cables.

MILESTONE: VMS (VIDEO MANAGEMENT SYSTEM) SOFTWARE.

Milestone designs, develops and produces world-leading IP-based video management solutions for organizations of all shapes and sizes. A portfolio of system deployment and optimization services designed to unlock the full potential of Milestone

installations and optimize system performance for a problem-free and stable operation.

LIFE SAFETY POWER: POWER SUPPLY

The preeminent manufacturer of intelligent power for the security industry power supply company bringing intelligence to facility openings and access control specifications through software analytics that assess the security infrastructure's power status in real time.

GUNNEBO : Boom Barriers, Turnstile, Full Height Turnstile, Wedge Barrier, Bollards, Gates & All types of Fire Extinguishers.

Gunnebo provides the best and widest range of fire protection devices suitable for most fire hazards.

They are being used by most of the leading companies across all sectors i.e. Residential Buildings, Commercial Buildings especially IT, Banks and financial institutions, government institutions and other major industries from cement, power, mining, chemicals, petroleum, textiles, pharmaceuticals and food & beverages sector. We offer state of the art products in 3 brands viz Minimax, GILPRO & STEELAGE Minimax.

MEAN WELL has been adding 10% new devices into its product lines each year. We now offer complete power supply solutions in range of 0.5W~25,600W at different grades to meet application requirements of individual industries including: AC / DC power supply, LED drivers, AC / DC battery chargers, DC / DC

converters and DC / AC inverters.

DELTA ELECTRONICS GROUP is a multi-billion dollar global company and its power supply products have been the first choice of top information technology, telecommunication and consumer electronics equipment manufacturers for decades. To serve wider range of customers with world-leading power

electronics technology and manufacturing capability. Delta Standard Power Supplies offers four product types: DIN Rail, Panel Mount, Open Frame, and Adapter in three categories: industrial power, medical power and LED drivers. Close to the pulse of the market, Delta is rapidly expanding its portfolio to power the industrial and medical segment.

TSG AUDIO INNOVATION is one of the industry's competent and professional partner for all professional audio systems and is an exclusive representative of premium brands like Fohhn Audio, Ambient System, and Alpha Acoustics.

Products: Control Unit, Zone microphone, logical input card, Loudspeaker, Speaker, Power supply unit, Power amplifier and Telephone unit.
